RECITALS

Whereas HSVI is a publically traded corporation that has openly solicited for the acquisition and merger of a small closely held company offering new technology to the public, business and industry, and

Whereas a common broker introduced ICI to HSVI, and

Whereas HSVI believes that ICI has developed and continues to research and develop a patented new energy producing technology, and

Whereas ICI desires to enter into a merger with a corporate entity that can provide the substantial marketing and development capital ICI requires to bring its patented technology to the world market, and

Whereas ICI believes that HSVI has the experience and maintains sufficient strategic relationships within the financial and capital markets to raise the capital necessary to bring ICI's valuable technologies to market, to make the successor entity into a world-wide leader in the alternative energy market for production of alternative sources of energy, renewable energy credit marketing, and alternative energy tax incentive brokering and

Whereas HSVI has offered the shareholders of ICI a sufficient plan of liquidity for their initial capital investment, and

Whereas accordingly the parties desire to execute a merger that will continue HSVI's capital strength with ICI's promising technology, and the mutual goal of world energy market entry for the benefit of both parties.

NOW THEREFORE in consideration of the foregoing recitals, the mutual representations, warranties and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

I. BASIC TRANSACTION.

1.1 Plan of Reorganization. Subject to the terms and conditions of this Agreement and pursuant to Section 368(a)(1)(B) of the Internal Revenue Code of 1986, as amended, the parties to this Agreement shall effect a Type B reorganization (the "Reorganization") whereby all of the outstanding shares of ICI common stock will be exchanged for 5,000,000 shares of the HSVI Class A Preferred Stock. The Reorganization shall take place on the Closing Date (hereinafter defined in Section 1.2 of this Agreement) and shall be accomplished in accordance with Article V below.

1.2 Closing. The closing of the Reorganization and exchange contemplated and provided for in this Agreement (the "Closing") shall take place at a time and place to be mutually agreed upon by the parties, following the satisfaction or waiver of all conditions to the obligations of the parties to consummate the subject reorganization and exchange (other than the conditions with respect to actions the respective parties will take at the Closing itself) or such other date as the parties may mutually determine (the "Closing Date"). It is the parties intention to close this transaction as soon as practicable, however, the Closing Date shall occur no later than January 30, 2004, absent regulatory delays, consent or breach.

1.3 Consideration to be Exchanged.

a. On the Closing Date HSVI shall execute, agree to or deliver the following consideration to the shareholders of ICI:

i. Issue ratably, and cause to be delivered to the shareholders of ICI, certificates representing five million (5,000,000) shares of HSVI's Preferred Stock. The designation "preferred" was placed upon the shares by HSVI, and in any event, the parties agree that the shares being issued to the shareholders of ICI as payment for the acquisition aspect of this transaction shall become a liquidity event after the passing of a restrictive period agreed to and specified herein. Therefore, should the subject shares need to be converted into another class to effect their ability to be traded, the parties agree that HSVI will assist in any conversion, and that in all events, the share being issued to the shareholders of ICI shall, after the passing of the restriction period, be fully tradeable. The specific amounts of shares shall be issued as itemized by the attached appendix "A" to this agreement.

ii. The Officers and Directors of HSVI shall resign their positions, whether a "majority" or other Board of Directors, and all operational, executive and management control shall pass to a new Board of Directors whose members shall be designated by ICI. The successor entity will be governed by the new Board of Directors and By-Laws, regardless of any prior division of executive management structure maintained by HSVI prior to this merger.

iii. The current Chief Executive Officer of HSVI, Jay Budd, has and does affirm that the outstanding debts of HSVI have been properly structured for management of the debt post-merger;

namely, that the debt is in the hands of suitable professional debt management team, including Fletcher & Associates, and Harry J. Miller, PLLC, that there has been set aside as part of the issued common stock for obligation and satisfaction of the debt, and that the incoming principals of ICI will be held harmless for this debt.

iv. The shareholders of ICI shall also receive royalties, affective upon the issuance of the patent numbers, from the sales of any of ICI products, systems, designs or patents, generated by the successor entity, in an amount not to exceed (\$ 100,000,000.00) One Hundred Million Dollars in the aggregate. Royalty payments shall be made annually at the close of the fiscal year, and shall equal 5 % of the annual pre-commission gross sales or other income generated by the successor entity

v. That select persons have been identified by HSVI and approved by ICI to work with the successor entity pursuant to separate consulting and employment contracts for the benefit of the successor entity.

b. On the Closing Date ICI, and upon the satisfaction of the consideration specified in section 1.3 (a) above, ICI shall execute, agree to or deliver the following consideration to HSVI:

i. The shareholders of ICI shall tender all issued and un-issued shares of ICI stock to HSVI's corporate treasury. HSVI shall receive good and marketable title to all of ICI issued and outstanding common stock free and clear of all liens, mortgages, pledges, claims or other rights or encumbrances whatever, whether disclosed or undisclosed.

ii. ICI shall transfer and assign to HSVI all patent and other intellectual property protections and use, ownership and rights to the products, designs, web site, and systems owned by ICI, including all engineering designs and plans and actual proto-types.

iii. All right title and interest in all other tangible personal property owned by ICI at the time of the closing. Including all pending contracts for purchase orders, letters of intent, and other good will.

iv. ICI and HSVI shall hold harmless all current and prior officers, directors, employees, shareholders, attorneys, agents, and representatives of HSVI, and their heirs and assigns, for liability for any claim, known or unknown, arising out of any act, event, conduct or incident occurring prior to the date of close.

1.4 Restrictions on Transfer.

HSVI's Preferred Capital Stock, when issued and delivered hereunder, shall contain a one year restriction on alienation, transfer or sale by the receiving ICI shareholders. While this transaction represents, in part, a liquidation of investment to the shareholders of ICI, the parties agree to this restriction encumbrance as part of a concerted effort to prevent an immediate negative effect on the successor entity's share price which in turn will hinder the company's ability to raise future capital. Each

certificate representing shares of HSVI's Preferred Capital Stock will bear a customary restrictive legend which states in effect that such shares may not be transferred, assigned, sold or hypothecated for one year, unless in the opinion of the successor entity's counsel, an exemption from the restriction is available for such transaction.

1.5 Post Merger Domicile and Changes

a. Immediately following the closing, the parties shall act to change the name of the successor entity to "Internal Command International Inc." The Public Markets stock symbol shall be changed accordingly.

b. The parties shall also cooperate to relocate the principal office and domicile the successor entity to the State of Florida, at an address to be determined at closing.

1.6 Fees and Costs of Merger / Other Fees and Costs / Ongoing Litigation

a. Attorney's fees and costs of HSVI incurred in connection with the transaction contemplated by this agreement shall be an obligation of the entity surviving such transaction.

b. Attorney's fees and costs incurred by Fletcher & Associates in connection with the management of HSVI debt shall be paid by Fletcher & Associates and shall not become an obligation of the entity surviving the transaction. Any outstanding Attorney's fees incurred in connection with current or prior litigation shall be assumed by Fletcher & Associates and shall not become a liability of the surviving entity.

c. HSVI has retained the firm of Harry J. Miller, P.L.L.C. in connection with the defense of certain ongoing litigation. Following the close of the transaction, the new management team may elect to continue with such services, or to retain new counsel. Expenses paid in connection with the litigation involving HCC Management shall be an obligation of the entity surviving the transaction. Jay Budd agrees to serve as liaison between the surviving entity and that company's counsel for purposes of that litigation.

Re: Legal Opinion Letter of Counsel for ICI

After a review of the State of Florida Division of Corporations Corporate Registry, the ICI Meetings Minute Book, Articles of Incorporation, Patent filings and Stock Registration Ledger of Internal Command International, I can render the following legal opinion on these matters contained within the proposed Merger Agreement.

Structurally, is a corporation duly organized, validly existing, and in good standing under the laws of the State of Florida. The authorized capital stock and the shares of common stock of are the same and total 10,000 shares, of which a total of 3690 have been issued as set forth in ICI's representations. All outstanding shares of ICI's common stock are duly and validly authorized and issued, are fully paid and nonassessable, and have not been issued in violation of any preemptive rights of stockholders, if any. To the knowledge of such counsel, there is no existing option, warrant, call, subscription, or other agreement or commitment obligating ICI to issue or sell, or to purchase or redeem, any shares of its capital stock other than those represented by ICI in this Agreement.

1. All consents or approvals by third parties required in connection with the execution and consummation of this Agreement have been duly obtained and no consents or approvals by any additional third parties or by any governmental agency are required in connection therewith.
2. To my knowledge, the execution of this Agreement and the transactions contemplated hereby will no result in the breach of any term or provision of, or constitute a default under, any provision or restriction of any indenture, agreement, or other instrument to which ICI is a party or by which it is bound, nor will it conflict with the provisions of the company's Articles of Incorporation or Bylaws.
3. All corporate action (including the Board of Directors and approval by the Stockholders) required to authorize the transactions contemplated by this Agreement have been duly and properly taken.
4. This Agreement has been duly authorized, executed, and developed by both HSVI and ICI and constitutes a valid agreement, legally binding upon the parties and enforceable in accordance with its terms.

5. The Stockholders of ICI have full right and power to transfer and deliver their shares pursuant to this Agreement, free and clear of any liens, encumbrances, restrictions or claims.
6. ICI is the owner or exclusive licensee of the patents, patents pending and/or trade names or trademarks listed on APPENDIX "B" to the Merger Agreement.

Please be further advised that I am not SEC counsel to ICI and not experienced nor qualified to render an opinion as to paragraph 7 below.

7. HSVI has filed with the Securities Exchange Commission and any applicable state securities agency all reports or other documents required of it to assert and claim an exemption from the registration provisions of the Securities Act of 1933, as amended, and any applicable state securities laws with respect to the issuance of HSVI's Common Stock to the shareholders of ICI.

Sincerely,

Mark E. Pena
